"Unforgettable Memories"

Foreword

The Annual Staff has in these few pages tried to open the door to all high-school memories. We hope that as you turn through the pages of the WAG in years to come, it will bring the joy of reminiscence to all who remember the Class of 1956.

We would like to thank all the merchants for their co-operation in making this annual possible. The association we have had with them has been a real pleasure.

As we lock the door of memories, we say to our beloved teachers, "Thanks for your patience with the staff and for your gracious attitude toward making our WAG a success.

Dedication

We, the student body of Graham High School, dedicate the 1956 WAG to one whom we all admire and respect, one who has taught us to strive for the finer things in life and to keep our ideals high. One who has done such a fine job on the annual itself, during the past two years. With sincere appreciation we thank Mrs. M. D. Smith.

The Keys To The School Policy

We are very grateful to our principal, Mr. N. G. Bryan. He has certainly made this school year a fine one for all of us. We wish to show our deepest appreciation, and thank him for all that he has done for us.

We also appreciate the interest the school board has shown in our school this year. Because of their efforts this school year has been a prosperous one; for this we are grateful. The members are: Mr. Morris Burke, Mrs. F. H. Culp, Mr. James C. Swanner, Chairman, Mr. W. F. Hadley, and Mr. Marvin E. Yount, Jr.

Class Prophecy

A key clicks in the lock. Slowly a door swings open. But it is not an ordinary key or an ordinary door. It is the key and the door to the future. Our class in 1976 is revealed.

Johnny Thompson, the Democrat candidate for the presidency, has promised in his campaign speeches that if he is elected, he will move the capital to Graham and will allow Robert Farrell and David Johnson, the famous architects, to design the new capitol buildings.

Bill Ausley, Bill James, Gary Bullis, and Butch Gates, are fighting to see which one will plan the new super highway from Washington to Graham after the Democrats are victorious.

Willie Edwards, the rich country squire, has just added a new training gym to his collection of a clothing store, service station and used-car-lot. Jane McCorkle, his secretary, is busy making money and keeping up Bill Boswell, who has not yet found a job.

Jimmy Harden is finding it hard to keep a job these days; it seems that he's spending most of his time on the road to Tennessee.

Gene McElroy, the noted lawyer, and Larry Hill, following in his father's footsteps as mayor, are now marking time until Jean McDonald and Dottie Roddy finish school.

Mrs. Cecil Moser, the former Clydie Bryant, is now celebrating her 20th wedding anniversary.

Ronnie Hill, taking James Mason's place, and Melvin Paris, the new Tarzan, have just signed a new contract with MGM studios.

Melvin Russell and Freddy Hamby have taken over both of Burlington's radio stations.

Jim Ferrell has finally finished college and at last he and the former Jane Flythe have settled down to raise a family.

Janice Small, Faye Crutchfield, Mona Owen, Barbara Conklin, Carolyn Burns, and Martha Bryan are quite domesticated as they spend their lives throwing pots and pans at their husbands.

Mary Lynn Belcher, Eugene Lashley, Larry Gurkin, Carolyn Blackwelder, Amanda Austin, Barbara Johnson, and Ernestine Longest have now completed their world-wide church hospital and welfare center.

Johnny Burnette is now president of Sealtest Dairy with Cornelia Guthrie's dairy farm furnishing the milk.

Billy Copeland, Haywood Murray, Craig Curtis, David Phillips, and David Stuckey are still visiting the Library trying to decide on their future jobs.

Dr. H. C. Callahan is head surgeon at Alamance County Hospital with Margaret Carter as his favorite lab technician.

Diane Loy and Ted Hogan have taken up where Einstein left off.

Miss Popularity of 1976, Janice Isley, has as her manager, Jean Moore, her private beautician, Diane Long, and her designer, Eleanor Young.

Bucky Hamby and Freddy Thompson have stepped into the shoes of Mr. Lou Roshelli and Mr. George Heckman.

Joe Moize, Gerrell Russell, and Gerald Donley are now attempting to build the largest hosiery mill Burlington has ever seen.

Mignon Saunders and Carolyn Pugh, the famous novelists, have just completed their new book paralleling "Gone With The Wind" using as their subject, Graham and the Class of 1956.

... of Burlington ...h started their second week of practice yesterday in preparation for their opening grid battle at Memorial Stadium here September 2.

That September 2 battle is the top schoolboy attraction in the state on that date and draws fans from all over Piedmont North Carolina.

Coach Bud Phillips of Williams High stated yesterday that he was very pleased over the way his boys were shaping up.

"Our main trouble right now is team speed and timing. We have plenty of good potential at each position, and we're counting on a lot of boys playing some good ball in their first varsity season."

Phillips, who has a field full of rookie ends, praised the boys out for that position. "Our ends are showing great promise, and everybody is showing good spirit," Phillips said.

The Bulldog line will not be the smallest in the state, by any means. It appears that the forward wall will average close to 185 pounds for the first game.

A full scrimmage is planned for Friday night.

Meanwhile, Coach George Heckman reports progress with his Graham Red Devils. Heckman, like Phillips, is faced with a giant rebuilding program after losing practically his entire starting team last year.

"Our team is shaping up," declared Heckman, "and I think we can give somebody some trouble in our own conference. Several newcomers to the varsity are giving up pleasant surprises here, and we'll be able to field a pretty good team for our opener with Burlington."

Jean, It's hard to say exactly what I'm thinking. I wish I had discovered you sooner. I had noticed you for several months, but I couldn't find out your name. I finally got it out of your one time friend. I hope that you will write me. I shall be bound to write. If the air force is good to me, I'll be back by Christmas. All I can say is, I hope I'll see you then. Goodby and by the way, if I'm going to write I'll need your address. Always remember me.

Love always,

Joan, it is a privilege to write in your Annual this year although this page will not hold all my thoughts of you. Joan you have a wonderful personality and it don't ever do anything to spoil it. I think you will always be tops at least in my book and I am sure in many other books.

Joan, you are one of the sweetest persons I have ever met. Joan, if you stayed sweet as you are now I'll bet my nickle your way for the sweetest girl in "60"!

Joan, you just don't know how wonderful I think you are and all the wonderful times that I have had with you. Honest Joan if I had them to do over again, I would do the very same thing.

So Here's wishing you all the happiness and Good luck in all the following future years of your life.

Love forever and ever.
